

Find the Fake Ad™ Contest

Readers search the entire **Official Show Guide™** for the fake advertisement for a chance to win some great prizes!

By searching through the Guide they'll read every ad carefully trying spot the fake one. In doing so they are sure to read yours in the process.

On every entry form is also a reader feedback questionnaire, allowing the exhibitors advertising in the **Guide** to learn who is seeing their ad and who plans to give them a call. **Reader feedback is free to all advertisers!**

Enter the Fake Ad™ contest at the N.E. Home Show or online at www.OfficialShowGuide.com
